Sean's approach is dynamic, holistic and process-oriented, structured for the healthy pursuit of goals. Private Instruction Policies & Procedures

Scheduling

Student will schedule lesson time(s) directly with the teacher. Weekly lessons at the same time each week are recommended, but not required.

Payment

Each instructor has an individual rate which the student must pay in full at the time of or before each lesson. Lesson fees should be paid directly to the Palos Verdes Performing Arts, not to the teacher, and can be paid by credit card, cash, or check made out to **PVPA**. A credit card can be kept on file to be automatically charged at the time of the lesson.

Missed Lessons

If a student is going to miss a scheduled lesson, 24 hours notice is required. Our teacher has reserved that time for the student, and we have reserved the studio space. With little notice, a teacher can rarely fill the vacated time slot, and both the teacher and the studio take the financial hit. If 24 hours notice is not given, the student is required to pay the lesson rate in full.

Punctuality

Students are expected to be on time for their lessons. If a student arrives late to a lesson, the teacher is not obligated to teach beyond their agreed end time for that session. The student will still be responsible for payment for the entire length of the lesson.

If the teacher is late, we will deduct the missed time from the cost of the lesson. You will only be paying for the actual time he/she spends with your student!

Book Fees (for vocal instruction)

The teacher has the option of purchasing books for students, or having an individual student purchase their books for use in the lessons. The student pays for books purchased by the teacher.

Supply List, students should bring (for vocal instruction):

- A bag to carry music
- A pencil for marking music and taking notes
- A water bottle
- Copies of music or singing books required by teacher, many can be purchased online
- Recording device (optional)
